2021 COVID-19 Equestrian Competition and Events Declaration Form

These guidelines are meant to support NS equestrian facilities, businesses/organized clubs and competition organizers in adhering to the Nova Scotia Provincial Government Covid-19 guidelines.
The following must be demonstrated in your Covid-19 Prevention Plan for Competitions and Events:

Name of Event/Competition:	Event/Competition Organizer:
Event/Competition Date:	Organizer Address:
Event/Competition Location:	Organizer Phone #: email:

Environment	**Yes**	**No**	**Comments**	**Reference/Resource Materials**
Our plan accurately demonstrates **where all activity will take place**, in accordance to the most current restrictions i.e.outdoors only				**2021 Event/Competition Guidelines**
Our plan demonstrates that all clients/participants **reside in the geographical area** permitted in the most current restrictions				**2021 Return to Activity Guidelines**
Our plan accurately demonstrates how **physical distancing of 2 metres** will be maintained whenever necessary				**NS Gov't Physical Distance Guidelines**
Our plan demonstrates how we will **limit the number of people** on our site as per the current Provincial Restrictions				
Our plan demonstrates how congregation of **people in shared areas** (i.e: common space where participants are checked in and out, washrooms, changing rooms, equipment rooms, etc.) will be limited.				
Equipment				
Our plan clearly demonstrates how the facility will limit the necessity of shared equipment.				
Our plan clearly demonstrates how **equipment will be managed and cleaned**, with appropriate disinfecting cleaner before and after use.				**Cleaning/Disinfectant Resources**
Personal Protective Precautions				
Our plan clearly demonstrates how **enhanced cleaning** will be managed, including high touch surfaces (i.e: washrooms, chairs, door knobs, etc.)				
Our plan clearly demonstrates how participants will be encouraged to practice **good hygiene and mask wearing unless mounted**.				**Staying Healthy NS**
Our plan clearly demonstrates how participants will be educated to ensure those who are unwell and **symptomatic** do not participate in our programs/services until they have shown that they are no longer symptomatic.				
Communication				
Our plan clearly demonstrates how participants will be **informed** of the specific safety precautions they must follow.				
Our plan clearly demonstrates how it (the plan, itself) will be **communicated** to all participants.				
Our plan clearly demonstrates how we will **maintain a participant registry,** (names, dates, time, and contact info) to facilitate potential public health contact tracing.				**Additional Resources/Posters/Waivers**
Compliance				
Events/competitions with spectators (as per current guidelines) must be sanctioned by Equestrian Canada/NSEF or be an organized association/registered business with a CRA Business Number/NS Registry of Joint Stocks Registration Number. If this applies to you, please indicate that number here: _____				

In addition to the provincial public health measures, organizations must adhere to any measures implemented by the Government of Nova Scotia at any time during the pandemic.

By signing this declaration, I am aware of the penalties that I may face for non-compliance of the NS Health Protection Act. I further acknowledge that I do not hold the Nova Scotia Equestrian Federation legally responsible for my business not adhering to or following the current Covid-19 Restrictions and Guidelines. I acknowledge that it my responsibility to amend my plan at any time to reflect changes made to the NS Public Health ACT.
