Ellen Campbell passed away on January 14, 2007 at the tender age of 18. Beginning that year, her parents Robert and Carole and brother Ryan, along with her equestrian friends started the **Ellen Campbell Memorial Classic**. The first classic honoring **Ellen** was held during the 2007 Gingerwood Horse Show in PEI. Over the years, it moved to the Maritime Fall Fair as the finale for all hunter equestrian events. We wish to continue this tradition and tribute to an amazing equestrian, kind-hearted girl, that just loved her family and life to the fullest. Forever in our

Class #108: 1.10m Division	Class #108.1: 1.15 Division	Class #108.2: 1.20m/1.30m Division
----------------------------	-----------------------------	------------------------------------

*Open to competitors that have competed in any 1.10m or higher class. If competitors are competing in multiple divisions, they must declare their division height for the Gamblers Choice and the Mini Prix. These classes will count towards division championships at this competition but are not rated for EC / NSHJA year-end awards. Competitors may declare on their entry form or by visiting the show office by Friday, June 28th at 5:00pm. Competitors not declared by this time will automatically be declared at the lowest height jumped at this competition.

1. In this competition, a certain number of obstacles are set up in the arena. Each obstacle carries from 10 to 120 points according to its difficulty. Combination obstacles are not allowed.
2. The obstacles must be built so that they can be jumped in both directions.
3. The points allocated to the obstacles may be repeated at the discretion of the Course Designer. If it is not possible to place 12 obstacles in the arena, it is up to him/her to delete the obstacles he/she wishes.
4. The Athlete is credited with the number of points carried by each obstacle that he/she has jumped correctly. No points are awarded for an obstacle knocked down.
5. A fixed time of 45 seconds (minimum) to 90 seconds (maximum) is allocated in this Competition. During this time, the Athlete may jump any of the obstacles he/she wishes in any order and in any direction. He/She may cross the starting line in either direction. (The starting line must be provided with four flags – there must be a red and a white flag at each end of the line.) During his/her round, the Athlete is permitted to cross the starting and finishing lines in either direction, as often as he/she wishes.
6. The bell is rung to declare the end of the fixed time during which points may be obtained. The Athlete must then cross the finishing line in one direction or the other in order for his time to be recorded; if he/she does not cross the finish line he/she is eliminated. The finishing line must be provided with four flags – there must be a red and a white flag at each end of the line.
7. If the fixed time is reached at the moment when the horse is already taking off at an obstacle, this obstacle is included in the Athlete's Score if it is jumped correctly.
8. Any obstacle knocked down during a round will not be rebuilt; if it is jumped again, no points will be credited to the Athlete. The same applies for knocking down an obstacle as a result of a Disobedience or for displacing a lower part of an obstacle,

which is positioned in the same vertical plan as the highest part. In the case of a Disobedience without a knock-down, the Athlete may jump that obstacle or continue to another obstacle.

9. Each obstacle may be jumped twice. The act, voluntarily or not, of jumping an obstacle for the third time or of passing between the flags of an obstacle already knocked down does not incur elimination. However, the Athlete does not score the points allotted to this obstacle.
10. All disobediences are penalized by the time lost by the Athlete. A fall of Horse or Athlete is penalized by Elimination (see JRs Art. 241.3.25).
11. The Athlete who has obtained the highest number of points will be declared the winner. In the event of equality of points, the fastest time taken between the start of the fixed time and the crossing of the finishing line after the bell has been rung will decide. In the event of equality of points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.
12. An obstacle may be provided in the course duly marked by flags and called "JOKER". The Joker may be jumped twice; 200 points are awarded each time this obstacle is jumped correctly, but if it is knocked down, 200 points must be deducted from the total points obtained so far by the Athlete.

Special Awards and Presentations

The Jody Burbidge Memorial Sportsmanship Award

Jody Burbidge, beloved daughter, sister, wife, mother, friend, teacher...passed away on January 26th, 2018. She was diagnosed with an aggressive stage of cancer in the fall of 2017. Although Jody tried to beat cancer with everything she had, she eventually succumbed to the disease.

Jody was always seen as a strong and positive woman. She was always laughing and enjoying every moment of life that was given to her. Jody loved seeing her children enjoying a sport and animals that were very dear to her. She has been seen over the years holding several different horses for Veronica and Mikayla. Always a supporter and cheerleader for her children, she had so much enjoyment watching her girls grow into the wonderful women that they are.

In honour of her memory, The Nova Scotia Equestrian Spectacular Horse Show is accepting nominations for **The Jody Burbidge Memorial Sportsmanship Award**. This award will be granted to the individual that best exemplifies the spirit of horsemanship by his/her attitude, demeanor, and treatment of fellow competitors, coaches and officials and acceptance of victory or defeat graciously.

The winner of **The Jody Burbidge Memorial Sportsmanship Award** will receive a perpetual trophy and a commemorative plate.

Nominations will be accepted at the show office until 5:00pm Saturday, June 29th, 2019. Award presentations will be made after the Pony Classic presentation on Sunday, June 30th, 2019.
