## Equestrian Canada Statement of Principles:

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to:

- Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that all Equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and
- Actively promoting the development and adherence of competition rules and regulations that protect the welfare of the horse.

The standard by which conduct, or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

### Concussion Awareness

Equestrian Canada Concussion Protocols- Equestrian Canada (EC) is one of the first national governing bodies for sport in Canada to implement official, sport-specific guidelines on return-to-play protocols for athlete concussions.

### EC's Accidents & Return-to-Play Rule

EC's concussion-related Accidents & Return-to-Play Rule came into effect Jan. 1, 2018 for all EC sanctioned competitions in Canada. The full rule can be found in the [EC Rules, Section A, General Regulations, Article 101](#).

## Hunter Derby Guidelines

Please note: The Canadian Hunter Derby (CHD) series offers classes to qualify for the Final at the Royal Agricultural Winter Fair. The following specifications are guidelines for derby classes being offered outside of the CHD Series.

### Sambea Hunter Derby Rated for EC Awards 2018

1. A Hunter Derby is a high-performance class that is a combination of a hunter classic and a handy hunter class. The course must be a combination of natural obstacles – post and rail, pen, ditch, etc., and handy elements – trot jump, rollbacks, unique approaches, option jumps, etc. As per G402.3, the horse must be able to knock down the top element of hunter fences. Derbies may consist of one or two rounds. The height of the option jumps must be listed in the class specifications in the competition prize list.
2. A Hunter Derby will be judged on performance, pace, style, handiness, and brilliance. Bonus scores and handy performance scores may be awarded and must be published with the class specifications in the competition prize list. If a specific score is awarded for a bonus option, the score must be given regardless of refusal, knockdown, or poor jumping style, provided the fence (or option) is taken.
3. Open numerical scoring is required. The base score is announced first, then the bonus scores, then the total score. The next horse in the order should not begin its round until the scores for the previous horse are announced. Suggestion for bonus scores: High and/or handy options may be awarded bonus scores in addition to the base score. Two points per high option (at least five high options with a maximum of 10) for a maximum of 20 bonus points. “Handy” option bonus to a maximum of 10 points. A total of 30 points could be added to the base hunter score.
4. Derbies will count toward provincial awards. In mixed Derbies, points shall be counted in their respective divisions (see Article G204.8). Derbies in which juniors, amateurs, and professionals are combined do not count for points. Derbies must be jogged to count for provincial points.
5. A Derby may be offered at EC-recognized competitions to horses and/or ponies. Should ponies compete in a Derby for horses, no distance adjustments will be made.
6. A Hunter Derby will not be split regardless of the number of entries.

**Entry Fee: \$30**

Class 405 May run with the 1.20m class and be dual sanctioned. *Nova Scotia athletes will be recognized as participants in the NSEF Athlete Performance Pathway. Not rated for EC awards.*

**J.A. Anderson Legacy Medal:** To participate in this Medal series, riders must register in advance of the competitions in order for points to count. This Medal registration is done through the NSEF and NOT at competition offices.

The J.C. Anderson Legacy Medal is a **skills-based** jumper medal series with the intent to identify athletes who have the potential to become Canada's next high-performance athletes.

**Technical**

- The format of the J.C. Anderson Legacy Medal will be consistent across the country and may be held at any sanctioned competition that offers the height of 1.20m for competitors. This class is designed as a jumper equitation class, to be held in the main jumper ring, at the 1.20m - 1.25m level with spreads to a maximum of 1.30m. The class will run as a Table A with two rounds, the second round, being a jump-off style round under Equestrian Canada (EC) rules. There will be a time allowed and time faults

reflected in the judge's overall score as subtracting one (1) point for each second over the time allowed. Each rail will incur four (4) points taken off the overall score. Two refusals will be cause for elimination.

- The course may have natural fences, a Liverpool, or a small water jump at the course designer's discretion. No work off is required but it remains at the judge's discretion. Start and finish markers must be provided, and an audible tone will be used.
- Stallions are allowed per EC jumper division rules. A jumper type horse with jumper equipment is allowed and will not be penalized.

### Eligibility

- The class will be open to current Provincial/Territorial Sport Organization (PTSO) and EC member riders age 25 and under as of December 31 of each year. Athletes shall declare their intent to compete in the J.C. Anderson Legacy
- Medal class to their respective PTSO by their first qualifying competition. A \$25.00 fee per horse/athlete combination must accompany the declaration. PTSO's will manage respective athlete declarations.
- Any athlete meeting the qualifications may participate in any number of PTSO level J.C. Anderson Legacy Medal classes. Athletes wishing to compete in the Regional Finals (see below) must have competed **in at least two** PTSO level designated J.C. Anderson Legacy Medal classes (at any competition) between January 1st, 2018 and August 19, 2018. The top ten athletes from the Eastern Regional Final (ERF) and the top ten athletes from the Western Regional Final (WRF) will be eligible and encouraged to compete at the National J.C. Anderson Legacy Medal Final. If one region does not send 10 competitors, the other region may make up the number for a maximum total of 20 final competitors.
