

2021 COVID-19 Return to Equestrian Events/Competitions Declaration Form

These guidelines are meant to support organizations in their return to their sport activities, including, but not limited to, lessons, coaching and organized programs, adhering to the Nova Scotia Provincial Government Coronavirus uidelines. The following must be demonstrated in any return to sport plans:

Name of Event/Competition:	Event/Competition Organizer:
Event/Competition Date:	Organizer Address:
Event/Competition Location:	Organizer Phone #:

	Yes	No	Commenets	Reference/Resource Materials
Environment				
Our plan accurately demonstrates how physical distancing of 2 metres will be maintained				NS Gov't Physical Distance Guidelines
Our plan demonstrates how we will limit the number of people on our site at any given time during the event/competition				
Our plan demonstrates how congregation of people in shared areas (i.e: common space where participants are checked in and out, washrooms, changing rooms, equipment rooms, etc.) will be limited.				
Equipment				
Our plan clearly demonstates how the event/competition will limit the necessity of shared equipment.				Cleaning/Disinfectant Resources
Our plan clearly demonstrates how equipment will be managed and cleaned with appropriate disinfecting cleaner before and after use.				
Personal Protective Precautions				
Our plan clearly demonstrates how enhanced cleaning will be managed, including high touch surfaces (i.e: washrooms, chairs, door knobs, etc.)				Staying Healthy NS
Our plan clearly demonstrates how participants will be encouraged to practice good hygiene .				
Our plan clearly demonstrates how participants will be educated to ensure those who are unwell and symptomatic do not participate in event/competition				
Communication				
Our plan clearly demonstrates how participants will be informed of the specific safety precautions they must follow.				2021 Return to Activity Guidelines
Our plan clearly demonstrates how it (the plan itself) will be communicated to all participants.				
Our plan clearly demonstrates how we will maintain a participant registry , (names, dates, time, and contact info) to facilitate potential public health contact tracing.				
For events/competitions with spectators (as per current guidelines) you must be an organized association/registered business with a CRA Business Number or NS Registry of Joint Stocks Registration Number. If this applies to you, please indicate that number here:				2021 Event/Competition Addendum
				Additional Resources/Posters/Waivers

In addition to the provincial public health measures, organizations must adhere to any measures implemented by their affiliated National/Provincial Sport Organizations and the facilities in which they operate.
