TO Members of Equestrian Nova Scotia

RE Wild fires

With wildfires burning in several areas in Nova Scotia, we want to remind you that the automatic insurance provided with membership in Equestrian Nova Scotia protects you for liability arising from the temporary care, custody and control of up to three non-owned horses that have been displaced due to fire, flood and other natural disasters.

To those members that are lending a hand to horse owners who are in need to move their horses and house them in safer areas - we THANK YOU.

We are also obliged to advise that no new insurance coverage can be placed when an active wildfire is less than 50 km away from your residence.

If you have questions about your insurance coverage, contact your Acera Insurance equine specialists at 1-888-394-3330.

I look forward to hearing back from you.

Sincerely,
