Respect Group Programs run most effectively on traditional PC and MAC computers using any common browser. iOS and Android Mobile devices may be used with 3<sup>rd</sup> party browsers. It is recommended you use a wifi connection and not cellular data as the programs are multimedia in nature.

You can give them permission for the Respect in Sport Module to go to the Locker Directly which will show proof of completion and give you PD points. At this time, this information is not provided automatically to NSEF, so just send us a quick email at [nsefprograms@sportnovascotia.ca](mailto:nsefprograms@sportnovascotia.ca) for us to update the information.
